## Limited Six-Month Warranty on StudioWrapper™ Commercial CD/DVD AutoWrapper

**What is my warranty?** Recordex warrants to the original purchaser only that the CD/DVD overwrapper will be free from defects in material and workmanship under normal use for a period of six (6) months from the date of original purchase. If the duplicator develops a covered defect within the first six months, Recordex will, at its option, either repair or replace the overwrapper at no charge, provided that the overwrapper is returned during the warranty period.

**How long does this warranty last?** Six (6) months from the date of the original purchase.
